# BENEFITS OF VANUATU CITIZENSHIP

## 1. Freedom of movement.

The holders of Vanuatu passport may have visa-free access to 130 countries. It is a real and genuine citizenship by investment scheme run by Government of Vanuatu. Passports issued have free movement to the UK, Singapore, the Schengen Area. This makes travel much easier, saves the time you previously spent on obtaining travel documents.

## 2. Favorable tax and business environment.

The country's tax system is based on the principles of loyalty. There is no tax on the global income, inheritance and capital gains. According to the World Bank, Vanuatu is one of the top 100 countries in terms of ease of doing business.

## 3. No need to fly to Vanuatu

It is not necessary to come to the islands halfway around the world neither before nor after issuance of a passport. Documents may be submitted in Hong Kong, Dubai or anywhere. Citizenship application is handled exclusively through a licensed agent. The list of agents is approved by the government.

## 5. Simple, Transparent and Confidential application procedure.

Before submitting a package of documents, the applicant pays due diligence fees and 25% of the required contribution. The remaining part of the contribution must be paid only after the government approves the application.

## 6. Passport for the whole family in a very short time.

Vanuatu citizenship may also be granted to a spouse, children under 25 years and parents aged 65 and above. There is no other country except Vanuatu where the application process is this quick. Even in the Caribbean, it takes from 3 to 5 months. The duration of the citizenship application process in Vanuatu is two months.

## 7. Citizenship is granted for life.

Dependents together with the main applicant obtain citizenship for life. However, as far as passport is concerned, it is issued for a period of 10 years with the right of subsequent extensions for \$50 renewal fee. Citizenship may be passed down to descendants (inherited).
