# Malta Individual Investor Program is reaching its cap

by MIIPA

MIIPA will continue accepting applications for citizenship under the Malta Individual Investor Programme Regulations until the 30th of September 2020.

Applications for residence under this programme will continue to be accepted until the 31st of July 2020.

Those individuals who obtain a residence card, but do not manage to submit a citizenship application by the 30th of September 2020, may be considered under new regulations that the Government is considering.

# Saint Lucia Announces Limited Time Offer for Covid-19 Govt Bonds

The Government of Saint Lucia has introduced Covid-19 relief Govt bonds for USD 250,000 under Limited Time Offer for the citizenship by investment program in Saint Lucia

The Limited Time Offer (LTO) is only available until Dec 31, 2020 and will expire thereafter. Investors must hold the bonds for 5 years or more depending on the family members applying. Processing fee is waived

## UWI Fund Launched for Antigua CIP

by Stanley H. Armisen

Antigua and Barbuda Government has introduced University of West Indies Fund (UWI) as a new investment route under the citizenship by investment program.

Only families of 6 or more dependent can apply under this route and big families can make more savings in the contribution applying under UWI.

One child of the family will get free scholarship for a year to study in the UWI five islands campus.
